**National Conference of Astronomy Associations in Romania
13 november 2107
Colegiul National Constantin Cantacuzino, Targoviste, Romania**

On Monday, November 13, 2017, the National Conference of Astronomy Associations in Romania, followed by the special session "Partnership in Astronomy-International Astronomy Festival 2018, 25 years of performance" took place at the Art Museum in Targoviste. Special guests of this event were Alexandru Mironov, senior editor of the "Science and Technology" magazine and Cătălin Beldea, editor astronomy and Sun Eclipse hunter.

Four teachers from the "Constantin Cantacuzino" National College (Prof. Măcriș Cristina, Prof. Mortici Mirela, Prof. Sorescu Florina and Prof. Vilciu Alina) and two students (Istrate Emma, XC and Paraschiv Antonio, XD), from the Project Management and implementation team of the Erasmus + "Eurostronomia" Project, participated in this meeting, together with representatives of the Astronomical Institute of the Romanian Academy, Romanian National Astronomy Committee, astronomical observers in the country and local government: <https://twinspace.etwinning.net/45275/pages/page/300630>
